## **Christian and Anna's trip to Denmark 1930**

Anna Kirstine at her childhood home Mandemarke, Moen, Denmark, 1930

Anna Kirstine Jensen Christensen, Christian Christensen, Tillie Petersen Christensen and Louis Christensen Moen, Denmark 1930. The other two people unknown.

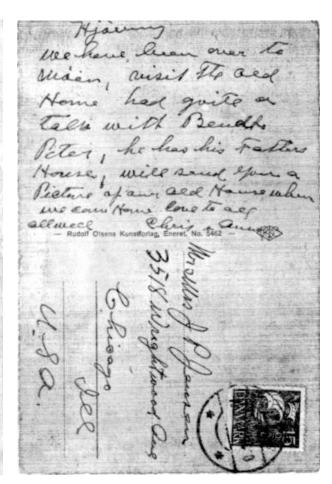

Christian and Louis Christensen in Denmark, 1930

Letter home from Christian and Anna to Alfred, Maybel, Marie, and Marjorie:

Dear Walle acher Sine Glad to recew your letters, I Should have written you a few days age, we returned here gesterday to get our Mail after being and 2 weeks, is our ald Home for we are gaing there again to marrow these places is gools duterastery to west friend we have not sear for so many years and is weathing good wany stand friends it is sure fine that we can go by Queto and don't have to wait for Trains and Bus Live, exeruse They have sel kinds of them but we have a letter line in a own Quite, Teleas me din Elai having The searlet fewer ive did not know that will now, we Just got Celler from Licey

Ther Warring leeling us sel al. That so you saw teer files that she is now first in line for the Ment letter in a few slags, you res I take turn about to write to you are in that way adout have to repeat my letters, ( and in that way I may say That every letter writter is for all of your) I orchied your Ramy lance Mean belowing away , I think you have Hears & which should Take care of some of that last, The way you are fixing that up we may not Burn it when we same Home, May don't Know anythering about that Kind of Star here, everything is just lovely and people is so good to us where over we come so wish ware Than we saved exspect but, make is what help to make our try so wice. don't like very well that Beswert is leaving This aport want but

Indehaver HANS ESPENSEN I Kind asspected that the way he sometimes acted but hoping your wiel get another one, suffore Leve is in there by This line, and is glad The anner is all renters, The weather here is beautiful a good deal of him shine and a little rain between lines so The country Just looks fine, afacurs for us we may eall is a letter eald I a using my sweater under my coar overy day and that feels good Ma and fille is over to The beauty Parlor so I will wait now until she returns if There should be suything showard a very in additional of what I have now writer 3 she sogs no seems all hem said we can think of the time
